Dear Captain van Waning,

I am obliged for your letter of the 20th January, and write to thank you for the bronze plaque No. 200 which you have sent me, showing the emblem of your foundation, which I am having secured to the tjotter in a safe place. I have noted that the tjotter is now registered in the "Stamboek van Ronde-en Platbodemjachten" and that, according to the rules, as Tjotter owner I am automatically "Friend of the Round and Flatbottom Yacht" and may consider myself an Honorary Member. Thank you also for sending me the rules, and list of Round and Flatbottom Yachts registered in the "Stamboek".

Yours faithfully,

(Sir John E. Thornycroft, K.B.E.)
